THE PIZZA COMPANY

The Pizza Company is the undisputed leader in Thailand's pizza scene, commanding nearly 80% market share. With a strong and growing presence across Southeast Asia and the Middle East, the brand sets itself apart with **superior taste and uncompromising quality**.

"Over the past few decades, the brand has continuously developed winning propositions across various channels from dine-in services to delivery, to e-commerce services, and to the use of hybrid modes for delivery of great customer experience."
